G.O. Ms. No. 2185 Dated 8th June 1948
Read the following:-

From the Government of India, Ministry of External Affairs and Commonwealth Relations No. F 27(2)-PV (1) 48, dated the 1st June 1948.

*****

Sub: Guarantees of maintenance and repatriation

With reference to your letter No.2235-PP dated the 4th May 1948 I am directed to state that the presumption of the Provincial Government that the validity of a passport is extended to a further country or countries beyond those for which it was originally made available without verifying the fitness of the applicant for the grant of additional facilities asked for by him/her is not correct. Passport issuing authorities should while granting additional endorsements satisfy themselves about the fitness financially or otherwise of the applicant before granting such endorsements. The relevant provision in rule 20 of the "Rules governing the issue of passports and visas" applies with the same force to the grant of additional endorsements as to the issue of original passports.

2. The Government of India do not therefore consider that the issue of supplementary instructions in the sense suggested in the letter under reply is necessary.
